Organized by:

**National Institute of Technology Raipur
Chhattisgarh**

About the Organizing Institute:

National Institute of Technology (NIT), Raipur situated in the capital of Chhattisgarh, has proven to be 'avant-grade' in the field of science and technology over past few decades in this region, with sweet memory of foundation laying ceremony by the first President of India, Dr. Rajendra Prasad on 14th September, 1956. The institute started with two departments, Metallurgical and Mining Engineering. Later, the Institute Building was inaugurated by the first Prime Minister of India, Pt. Jawahar Lal Nehru, on 14th March 1963. On 1st December 2005, the Institute was given the recognition as the National Institute of Technology. It is well connected with Mumbai, Delhi and all metro cities by regular flights and is on the main Howrah-Mumbai railway route. The institute is 5 km from the Raipur railways station and 18 km from airport on NH-6, the Great Eastern Road.

About Department:

The Department of Information Technology came into existence in year 2000. IT department is the study, research and work place of approximately 300 students from the 28 states across India. The department provides an outstanding research environment and offers academic program leading to the award of B.Tech., M.Tech. and Ph.D. degree.

About National Commission For Women

The National Commission for Women (NCW) is the statutory body of the Government of India, generally concerned with advising the government on all policy matters affecting women. It was established in 31 January 1992 under the provisions of the Indian Constitution, as defined in the 1990 National Commission for Women Act.

The objective of the NCW is to represent the rights of women in India and to provide a voice for their issues and concerns. The commission sponsors grants to institutions / organizations willing to undertake Research / Studies, Seminars / Conferences /workshops, Public Hearings, Legal Awareness Programmes and Parivarik Mahila Lok Adalats.
